I had Karen assist with putting this together for a citizen's complaint. I know it's not UIC—but thought it may be of help. There is a group under Libby Faulk that specifically works on assisting with Community Outreach and Communication Strategies.

Folks: any recent examples on UIC specific actions you can share with Wendy? Mine are a bit dated, and the one she has on the current one on Dewey Burdock is broader than UIC.

Thanks!

Douglas

Douglas,

Just a reminder. Could you send me another example of a communication strategy that was more directly related to the UIC program?

Thanks,
